Note:

- Revenue from operation means revenue from sales and other operating revenues
- EBITDA is calculated as Profit before tax + Depreciation + Interest Expenses - Other Income
- EBITDA Margin is calculated as EBITDA divided by Revenue from Operations
- PAT is calculated as Profit before tax – Tax Expenses
- PAT Margin is calculated as PAT for the year divided by revenue from operations
- Return on Equity is ratio of Profit after Tax and Average Shareholder fund
- Debt to Equity ratio is calculated as Long-Term Debt + Short Term Debt divided by equity
- Current Ratio is calculated by dividing Current Assets to Current Liabilities
- Return on capital employed is calculated by profit before tax + finance cost divided by Capital Employed. Capital employed is calculated as Total Debt+ Shareholder Equity + Deferred Tax Liability – Intangible Assets.
- Net capital turnover ratio is calculated by dividing the Revenue from Operations by Average working capital of the Company.

8. Risk Factors

The following are the top 10 internal risk factors as disclosed in the Draft Prospectus:

- A major proportion of our revenues are derived from product category namely Pulses, Dry fruits and Seeds which totally contributed 94.41%, 83.89% and 76.88 % of our revenue from operations on the basis of audited standalone financial statements for the Financial Years ended March 31, 2026,

2025 and 2024 and any reduction in the demand for the above mentioned products could have an adverse effect on our business, results of operations and financial condition.

2. Our business operations rely significantly on the continuous and timely supply of products from top 5 and top 10 suppliers. Also, we do not have continuing and exclusive supply agreement with them. Our purchases of stock-in-trade on the basis of audited standalone financial statements from top 10 suppliers are 57.21%, 75.37% and 77.21% of Total Purchases in the fiscal years 2026, 2025 and 2024 respectively, accordingly, this exposes us to a concentration of purchases from top 10 suppliers and also, any interruptions or discontinuation of the same, will adversely impact our overall performance and profitability.
3. Certain of our Group Companies cum promoter group entities and their Directors/Promoters and one of our subsidiary company have defaulted on bank dues and faced regulatory actions, which may expose our Company to reputational and financial risks.
4. We generate our majority of the sales from domestic market of which major portion of sales from our operations is generated from certain geographical regions especially Gujarat, Maharashtra, West Bengal and Rajasthan which totally contributed 82.90 %, 63.67 % and 68.16% of revenue from operations for the fiscals 2026, 2025 and 2024 respectively on the basis of Audited Standalone Financial Statements and minority portion of sales is from international market. Any adverse developments affecting our operations in these regions could have an adverse impact on our revenue and results of operations.
5. There are certain delay filings/non-compliance/non filings noticed in some of our corporate records relating to forms filed with the Registrar of Companies and other provisions of Companies Act, 1956 and Companies Act, 2013. Any penalty or action taken by any regulatory authorities in future, for such delay filings/non-compliance/non filings with provisions of corporate or any other law could impact the financial position of the Company to that extent.
6. There are certain clerical mistakes noticed in some of our corporate records relating to forms filed with the Registrar of Companies and other provisions of Companies Act, 1956 and Companies Act, 2013. Any penalty or action taken by any regulatory authorities in future, for such clerical mistakes with provisions of corporate or any other law could impact the financial position of the Company to that extent.
7. We have entered into and may enter into related party transactions in the future, however, there can be no assurance those such transactions, individually or taken together, will not have an adverse effect on our business, prospects, results of operations and financial condition.
8. The Restated Standalone Financial Statements and Restated Consolidated Financial Statements have been provided by peer reviewed chartered accountants who is not statutory auditor of our Company.
9. We depend on top 10 customers for a significant portion of our revenue from operations which contributed 47.14%, 32.67% and 39.27% of our revenue from operations on the basis of Audited Standalone Financial Statements, respectively in the fiscal year 2026, 2025 and 2024. Also, our Company in the usual course of Business does not have any long-term contracts with its customers and we rely on short-term contracts for delivery of our products and our customers may cancel or modify their orders, change quantities, delay or change their sourcing strategy. Loss of one or more of our top Customers or a reduction in their demand for our products or reduction in revenue derived from them may adversely affect our Business, Results of Operations and Financial Condition.
10. Our business is predominantly dependent on trading activities, while processing operations (which is done through job work) contribute only a limited portion of our revenue from operations. Any adverse impact on our trading business may materially and adversely affect our business, financial condition, results of operations and cash flows.

For further details of the risks applicable to us, see “Risk Factors” beginning on page 22 of the Draft Prospectus. Investors are advised to read the risk factors carefully before making an investment decision in the Issue.
